

The 15th recruitment of Ching Chueh Buddhist Sangha University

Taiwan Affiliate of Mahachulalongkornrajavidyalaya University, Thailand

Excellent Teachers & Great Learning Environment

Properly-arranged School Courses

Together, we can make a difference

School Objectives

With the close combination of both the spirit of Buddhist traditions and modern information tech, we fully support and cultivate our Sangha talent who are determined to be both the successful performers of theory and practice of the Buddha's teachings. We, therefore, set up this Taiwan affiliate in cooperation with the Mahachulalongkornrajavidyalaya University in Thailand that holds good reputation internationally. Since 2003, 11 terms of college students have graduated. The 14th recruitment is in progress.

Academic Distinctions

- ◎ A Bachelor's Degree will be conferred to the graduates by school rector in person at Mahachulalongkornrajavidyalaya University, Thailand, an acknowledged university in many countries all over the world.
- ◎ The qualifications for entrance are low, but the criterion for graduation is high. We will hold a three-day lecture for all the examinees before the entrance examination. All the examinees are welcome.
- ◎ Faculty members, including venerable masters and respectable professors, either here or abroad obtained their Masters' degrees or Doctors' degrees.
- ◎ To broaden their mind / vision as well as improve / practice their language skills, we would arrange our students once a year totally free to visit / attend the Buddhist-related international Conference.
- ◎ All courses are basically taught in Chinese. Additional English courses are provided to those whose language skills are insufficient.

School Offerings

- ◎ No tuition fee, miscellaneous expenses, and accommodations would be charged.
- ◎ The scholarship will be offered to the distinguished students.
- ◎ Those graduates who have outstanding academic performances will be admitted to our graduate school at Mahachulalongkornrajavidyalaya University, Thailand for Master's Degree or Doctorate.

Remarks

Our University is a religious institute that provides excellent education only to the Sangha talent, and it thus offers a great opportunity to the monastics in pursuit of advanced study. Competition is relatively low and Admission rate is on the other hand high.
